

Service nº1: Identification of Commercial Partners

1. In which market and sector do you want an identification of commercial partners?
2. Do you have any previous experience in the Spanish market? If so, what have been the main obstacles?
3. Which products / services are you interested in exporting? Indicate the tariff headings or any international goods identification code.
4. Quality-price ratio of your products / services.

5. Desired distribution channel. Describe briefly the profile of the company you would be interested in collaborating with. Indicate, as far as possible, the size of the company according to the number of workers, billing and / or sales volume.

6. National / international competitors.

7. Write any comment or additional information you would like to provide.
